FIFTEEN CENTS

## Thanks to all Vets

We wish to take this opportunity to thank all the veterans from World War I to the Vietnam War who fought so courageously, to keep this country free. We respect and honor all of you.

For those who didn't come back we honor them on Veteran's Day, Nov. 11, and offer our prayers for them.

May the good Lord protect and

watch over all the veterans and their families forever, for we know if it wasn't for the veterans and the soldiers of today this country we call America would not be free today.

Thank you veterans of yesterday and today.

Happy Veteran's Day

## Dominicks, condos on financial hold

by GLORIA DAVIS

Tom Santino, developer of Harbor Ridge in Antioch Township, reports that plans for the shopping center slated for the intersection of Rte. 59 and Grass Lake Rd., to be anchored by a Dominick's Supermarket, are still on go but they have been put on hold.

Santino said that the plans have reached the stage of dependence on the interest rates.

"We are now waiting to see what develops in the area of high interest rates within the next 30 to 60 days," Santino said.

There has been "street talk" circulating that Santino was moving on other plans for a 600-home development, each house to be built on a one acre site and to be priced in the \$59,000 category.

Santino said, "Here's the facts, not 'street talk.'"

"In the first place we don't have 600 acres waiting for development in Harbor Ridge and in the second place you would have to first pay the people to take the land, then get all the improvements for nothing and maybe, if you built the house out of cardboard, you might be able to sell them for that price."

Santino added that his home development plans for Harbor Ridge have not changed but they too are on hold until the interest rates become buyer affordable.

Santino's development now features 70 completed condominiums with future plans for 674 more, priced \$61,000 and up.

## Plead guilty to several theft charges

by GLORIA DAVIS

The two Antioch juveniles who were arrested by the Antioch Police and charged with a total of 29 counts of burglary and two counts of home invasion, appeared in Lake County Juvenile Court for a plea hearing on Friday, Nov. 6.

Both of the 16-year-olds pled guilty to some of the burglary charges filed against them at the hearing held in front of Judge Charles Scott.

According to Assistant State's Atty. Barbara Johnson, the prosecuting attorney on the case, a trial date of Tuesday, Nov. 30, has been set for both boys. The trial will be held in front of Scott.

## Fields and slate are re-elected

Antioch Township Supervisor Jim Fields and Republican running mates Donna Mae Litwiler, Norm Geary and Howard (Bud) Scott easily won re-election to the county board from district four on Nov. 2.

Litwiler was leading vote-getter, with 11,002, followed by Fields with 10,815, Geary with 10,690 and Scott with 10,473.

Democratic losers and their district-wide vote totals were Kate Magee (7,268), Tony Marsala (6,448) and John Michaelson (5,597).

## Crane's strengths too much for DeFosse

The redistricting of Illinois' congressional districts means that as of January, Lake County will be represented by two congressmen instead of just one.

Residents had grown to feel comfortable with Congressman Bob McClory—like an old pair of shoes or a security blanket.

The races in the two congressional districts offered a unique contrast in styles and personalities.

The new 12th congressional district featured a three-way race between Congressman Phil Crane (R-Mt. Prospect), Democrat Dan DeFosse of Antioch and Libertarian Joan Jarosz of Lake In The Hills.

In the 10th district, which runs up the shore line, Congressman John Porter (R-Winnetka) faced a tough challenge throughout the campaign from Illinois House Minority Whip Eugenia Chapman (R-Arlington Heights).

Porter, although the race was close following early results in Lake County, piled up substantial leads in the Cook County portion of the district and eventually notched 54.8 percent of the vote in Lake County to win reelection. Lake County finals were Porter, 40,252 and Chapman with 33,124.

In the 12th congressional district, Crane piled up nearly 65 percent of the vote in Lake County and wide

margins in McHenry County to defeat his nearest challenger, Democrat DeFosse. In Lake County Crane had 26,172, DeFosse 12,745 and Jarosz had 1,555. In McHenry County the margin was Crane 26,716, DeFosse 11,202 and Jarosz 1,181.

Crane has a nationally recognized reputation as being a leading spokesman for the conservative cause. Much of his reputation stems from his 1980 Presidential Primary challenge.

His district now drops its cosmopolitan flavor, sprinkled with corporate executives and those who thrive in the suburban lifestyle. It instead is now more rural in flavor with a strong farm and small business flavor and a larger population of senior citizens.

DeFosse said following the election that he felt he did quite well considering that he was a political unknown, in his first attempt at politics and with no money.

DeFosse said that he spent 21.6 cents per vote while Crane spent \$3.60 cents per vote. He called the figures outrageous, adding "I hope some day we can get a cap on this."

DeFosse said he is now getting ready to put this popular Santa's mailbox operation into gear, but he's not giving up on politics. "I hope I have the same privilege again in a couple of years," he said.

The negative campaign of Democratic sheriff candidate Donald Mason may have been responsible for the political backlash that vaulted Coroner Robert (Mickey) Babcox into office as Lake County's new sheriff Nov. 2.

Mason, besides focusing on some areas within the sheriff's department which needed improvement, had concentrated his campaign toward creating inuendos that his opponent, Babcox, had ties with organized crime, fraud and crime figures.

The tactic apparently backfired on Nov. 2, leaving Mason with far less than the necessary lead he had sought coming out of the strongly Democratic shore line precincts.

In the end, Babcox had 54.5 percent of the vote and edged Mason 60,951 to 50,755.

Democratic candidate for treasurer Nan Fairhurst of Long Grove was defeated by a wide margin by incumbent

Republican Jack (Red) Anderson of Gurnee. Totals were 67,721 (61.6 percent) to 42,041. School Supt. Bill Thompson of Antioch was re-elected unopposed.

Democratic county clerk candidate Linda Hess ran a strong countywide campaign, much in the fashion of her predecessor, Grace Mary Stern. After leading by about 10 percent of the vote following tallies from Democratic shore line precincts, she faded slowly as west Lake County totals were reported, but showed unusual support countywide for a Democratic candidate.

When totals were counted, Hess edged Thomas by less

than a percentage point, 55,770 to 55,417.

Also on the ballot, judges Roland Herrmann and Harry Strouse received the necessary votes for retention; voters approved a special tax levy for Winchester House, approved lowering the mental health fund tax rate and approved reduction of the county highway fund rate.

The state bail bond referendum was passed by an 85.9 percent positive vote in Lake County.

On the statewide ticket, Gov. Jim Thompson racked up 62.9 percent in Lake County while Republican candidates Ty Fahner (attorney

general), Jim Edgar (secretary of state), and John Dailey (treasurer) also enjoyed comfortable margins in Lake County. The comptroller's race found Republican Cal Skinner Jr. edging Roland Burris, 55,265 to 52,723 in Lake County.

Dona Leadbetter, elections supervisor for the county clerk's office, set the voter turnout at about 60 percent, up from 52 percent at the last county-state election.

Final results were announced at 12:30 a.m. and Leadbetter said she was pleased with how things went and hoped to make precinct results accessible in future elections.

## Letter to the Editor

Editor:

I would personally like to thank, as I am sure the rest would too, Mable Lou Weber, members of the homecoming committee, the staff of Antioch High School and the crowds along the parade route for their warm acceptance of us.

I intentionally omitted the students because they really deserve a round of applause. Their enthusiasm and school spirit are fantastic. Congratulations to the football squad for a great victory.

Speaking for all alumni, it's truly great to return and be so welcomed especially to return as an alumni cheerleader and be so warmly received, brings our heart warming thanks.

I'm sure we enjoyed it more than you—thank you!

## Churchill, Geo are easy winners

by ROGER RUTHHART  
Managing Editor

Nov. 2 was the beginning of the end as candidates were elected who will serve from entirely new districts beginning in December or January, depending on the office.

With the election behind

us, voters will go through an adjustment period where they will be forced to deal with slightly adjusted county board districts and new state House and Senate districts that run east and west rather than the old north and south. The change is sure to have an affect on allegiances and history over the next 10 years.

Robert Churchill of Lake Villa withstood a challenge from Democrat Bob Gesiakowski of Antioch to win election in the 62nd district. He racked up a margin of 14,159 to 8,631 in winning.

Much of Gesiakowski's challenge was as a result of his continuous criticism of the fact that Churchill's law firm represented Waste Management Inc. in its application to expand its Antioch landfill.

On the senate side of the aisle, incumbent State Sen. Adeline Geo-Karis (R-Zion) easily withstood a challenge from Bill Pitts, also of Zion, to win a second term in the senate. Vote totals were 25,730 (65.7 percent) for Geo-Karis and 13,427 for Pitts.

### ADJUSTING TO DENTURES

Q: Why is it so difficult to adjust to dentures? Aren't they made to fit individual mouths?

A: Dentures are not teeth, nor do they function like natural teeth. They are prosthetic replacements similar to replacing a lost leg or arm.

How they fit, initially, depends on how much gums have healed (or shrunk) from the time teeth were extracted, and how much the mouth tissues have changed. Healing is usually complete within six months.

The upper denture will take about 24 hours after insertion to settle in and feel secure. The lower denture will take considerably longer, though, because the muscles of the tongue, cheeks and lips tend to dislodge it. The wearer must learn to chew bilaterally, control the movement of the lower denture with the tongue, and practice speaking. Adjusting to new dentures is a learning experience that takes patience, practice, and determination.

### INSIGHT INTO EYESIGHT

Dr. R. A. Sona,  
OPTOMETRIST  
CARING FOR GLASSES

Keeping your glasses clean and free from scratches will help keep your vision clear. This also pays dividends in making your glasses safer and longer-lasting.

Oil from your skin and any dust in the air find your glasses an easy mark. You can clean them with a soft cloth or one of the special lens-cleaning papers. If your lenses are made of plastic, clean them when they're wet to lessen the chance of scratching. Water, with or without soap, can be used as well as lens-cleaning fluid. Whatever method you use, it's a good idea to clean your glasses at least once a day, whether you think they need

When you take your glasses off, put them in the case or lay them down right side up. Never put them lens side down. When plastic lenses become scratched, they should be replaced. Scratches on plastic or glass lenses tend to weaken them and make them easier to break.

Glasses are, in effect, an extension of your eyes. It makes sense to care for them so you can see clearly, sharply and safely as well as extending their length of usefulness.

## When I think about it

### Insurance costly back-up for us non-gamblers

by GLORIA DAVIS

As I was jockeying around the figures in my battered checkbook, in an effort to pay the monthly bills, I decided that it would be more practical if my pretty flowered paper checks gave way to colorless ones made of rubber.

Now I'm not speaking about the "bouncing" kind of rubber but, with today's outlandish prices, I yearn for the stretchable kind.

"You've just got to cut down in some area," I told myself, as I perused the monthly list of due dates. Enter one problem, where to chop?

The house payment---no way to cut that, of course I see that Sears has an after-summer sale on tents.

And I've already reduced our utility uses drastically, short of burning candles and wearing a fur coat to bed.

Then I reached the spot on my list entitled insurance payments. As I stared at the long list of policy payments that included car insurance, house insurance, mortgage insurance, health insurance, dental insurance and life insurance, I wondered why some company hadn't come up with insurance on your insurance policies.

They probably have but thank goodness none of our carriers have approached us with it because I'm sure that I could easily be convinced that, no matter how high the premiums, "we couldn't afford to be without it."

And, sad to say, with our lawsuit crazy court system, it would probably be the truth.

I don't know who first thought of insurance. Maybe John Hancock convinced an early settler that he needed "scalping" coverage.

Now I'm not necessarily claiming that insurance is a rip-off (not knowing the extent of this paper's liable coverage). But anyone who has ever visited the gorgeous Sentry

Building in Stevens Point or sipped a drink at the top of the Prudential Building in Chicago must be convinced, even figuring investments, that overall the premiums must far outweigh the claim pay-offs.

Obviously, in the insurance gamble, the odds are with the house or in this case the building.

Granted it would take a lot of premium payments to replace one totaled car. But statistics show that most car owners, have never had, or will have, a costly accident.

If all the insurance premiums that this majority has paid or will pay during their driving lifetime were totaled, they could be setting behind the wheel of a completely paid for Cadillac Seville or even a Delorean.

Just think then that "poor unfortunate" man might not be facing a jail sentence.

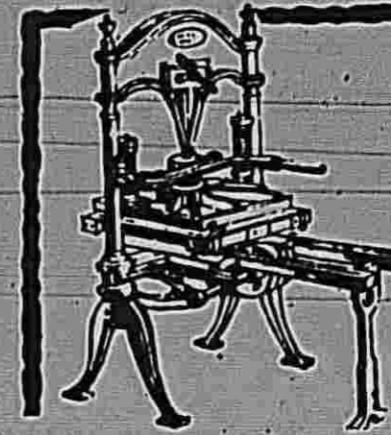

And have you ever noticed that, while the value of your car goes down with age, ergo the lower the replacement cost, your insurance premium stays the same?

I saw statistics somewhere that said that the average family breadwinner may well be responsible for upwards of \$200,000 in all inclusive insurance payments during their working lifetime.

But of course how many of us are willing to gamble on banking or monthly insurance premiums on the chance that our insurance claims will be much lower than that figure, even though some economists say that the average person's claims will not even be in that same ball park.

So, with the problem of having the money in the old checking account at the time of any unfortunate happening notwithstanding, I guess I'll mail my monthly payment on the newest addition to the Prudential Building.

Maybe next time I'll launch into an equally constructive discussion on dieing and paying taxes.

## The Time Machine

### FIFTY YEARS AGO: Nov. 17, 1932

An avalanche of Democratic votes swept through the country, but Lake County gave Herbert Hoover a slight edge for President although the rest of the country seemed to prefer Franklin Roosevelt.

Veteran hockey player Bill Anderson was working on Antioch having a skating rink by the water tower. The rink will be sponsored by the village board and the fire department.

Blumbergs, in Waukegan, was advertising a gauranteed inner-spring mattress, full-size, for \$6.98.

The Bureau of Fine Arts selected Mr. C. E. Nielsen, voice teacher, as one out of two outstanding artists of the year.

The Democrats were already starting to mobilize a social welfare program.

Hollywood was whispering that Paulette Goddard might become Mrs. Charles Chaplin.

### THIRTY YEARS AGO: Nov. 6, 1952

Two hundred and eighty five children attended the Halloween party at the Antioch Theater sponsored by the theater and the News. Donald Blackman, Michael Murrie and Joyce Sorrensen were among prize winners at the party.

Plans were being made for King Jaros to play at the new Antioch Rescue Squad Building's open house.

The month of October was extremely dry, recording only nine-hundredths of an inch of precipitation.

Antioch children kept out of mischief over Halloween mainly because of several well planned neighborhood parties. Two groups of boys bent on mischief, one from Wisconsin and another from Lake Villa were turned back home.

Louise Voss played "Auf Wiedersehen" on the piano at the Antioch Women's Club Talent Show.

### TEN YEARS AGO: Nov. 8, 1972

The News ran a picture of Antioch residents that were members of the Wilmot Mt. Ski Patrol. They were Dick and Barb Tobias, Fran Walpole, Marge Warner, Delores Abderholden and Angie Matas.

Ray Jensen, president of the Antioch Lions Club, was presented with a check to cover the cost of the candy for the event by Executive Vice-President Dick Daniels of the State Bank of Antioch.

There was still talk about the property on which Thelen's Gravel Pit was located on Rte. 173 being made part of the Chain O'Lakes State Park.

The Antioch High School decided not to participate in a vocational school program.

Time of the meeting is 10:00 A.M. in Assembly Room (East) Tenth Floor of the County Administration Building, 18 North County Street, Waukegan, Illinois 60085.

## Along the way with ANNIE MAE

Dennis Sheehan is one of the many walking proofs that we must always strive to keep learning.

Dennis, who is a general foreman for Commonwealth Edison, has just been accepted into the Lake Forest School of Management.

How did you feel about last Tuesday's election results, or should I say non-results?

Was the overall Democratic win a mandate to the American peoples' demand for quick and decisive corrective action or was it "a thumb-sucking" retaliation and refusal to do without to correct a serious economic problem that was not just created yesterday?

More congrats to a present Antioch High School student, James Czapiewski, who because of his performance in the PSAT testing, has received letters of commendation from the National Merit Scholarship Corp..

## Women to meet Nov. 15

The Antioch Woman's Club will hold its' regular business meeting on Monday, Nov. 15, at 1 p.m., at the State Bank of Antioch.

Lee Fair, director of English Language School of

Concordia College in River Forest, will present a program, with slides, on Peace Corps work in Afghanistan. Fair spent seven years serving in the Peace Corps in Afghanistan.

The hostess committee that day will be: Lorraine Steiber, Fritzi Turner, Caroline Costoff, Clara DuPere, Rosebud Sunic, Bubbles Van Cleve, Marie Fanta, Trudy Anderson, Jayne Kleban and Lugené Nissen.

St. Peters "Footlights" was an enormous success. Loved Mary Malick's dance hall costume and hardly recognized the "sheriff" on guard outside of Calamity's Saloon.

As usual, Ken Smouse and his inimitable style and fine voice stole the show at the Palace.

Would you believe that the curtain and backdrop at the Palace was made out of plastic used in laying cement. According to Ken it cost only a few dollars. Clever these theatrical people!

### SHOW FILM

"What You Are Is Where You Were When" is a film series by Dr. Morris Massey. It will be shown on Nov. 17, at 9:30 a.m. and again at 7 p.m., at the Cooperative Extension Auditorium, located one fourth of a mile north of Rte. 120 on Rte. 45, in Grayslake.

"A newspaper dedicated to people marching to their own drummers."

# 54 posters win big in State Bank contest

Judging was an artistic challenge for Jane Craner and Sarah Redd, art instructors at Antioch High School, when they scrutinized several hundred decorated pumpkin posters submitted by grade school students for the State Bank of Antioch's Annual Pumpkin Poster Decorating Contest.

This year, the seasoned judges selected Kim Banasack, eighth grader at Faith Lutheran School and Jason Wilson, fourth grader at Antioch Lower Grade School, as the two grand prize winners. They each were awarded 12 inch Zenith portable television sets.

## Play host to sailor this Thanksgiving

This year, many of the 16,000 men and women undergoing training at the Great Lakes Naval Training Center will be unable to return home for the Thanksgiving holiday.

This will be the first time most of these young men and women have spent the holidays away from their families.

Each year, the commander of the naval training center solicits assistance from the surrounding communities in finding families to host these young men and women on Thanksgiving day.

Host families are responsible for picking up their guest and returning them at the appropriate time. Families may host as many servicemen as they wish. Many communities sponsor whole bus loads as a group project.

Anyone wishing to host a sailor for Thanksgiving should contact Lt. Lynn Cantrell at (312) 688-2430 between 7:30 a.m. and 4 p.m. or (414) 961-0570 after 6 p.m.

## Sequoit field hockey concludes season

On Monday, Oct. 25 the Antioch varsity field hockey team began the state tournament series with a 2-1 victory at Deerfield.

It was clearly the best game that Antioch played all season with "a fine team effort."

Antioch got on the scoreboard about 10 minutes into the game when Kim Nicholl, assisted by Sigrid Ferstl, scored.

THE SCORE remained 1-0 until early into the second half when Wendy Vos scored

to increase Antioch's advantage to 2-0.

Deerfield refused to quit and scored with 14 minutes left in the game.

After the Deerfield score they kept almost constant pressure on the Antioch defense.

The defense managed to protect the one goal margin and the game ended at 2-1.

WEDNESDAY, Oct. 27, Antioch continued tournament play with a home game against state power New Trier.

A regular season game

had ended in a 7-0 advantage for New Trier, so Antioch was a decided underdog.

The game was well played by both teams and remained scoreless until halfway through the first half when New Trier scored to take a 1-0 lead.

The game remained 1-0 until a minute was left in the game and New Trier scored again to win the game 2-0.

The loss ended the season for Antioch with a record of 2-6-5.

## Sequoits promise they'll be ready

by MICHAEL H. BABICZ  
Sports Editor

Antioch will have a preview of next season in the opening round Illinois High School Assn. Class 5A playoff game.

The Sequoits have been assigned to host North Suburban Conference (NSC) champion Lake Forest.

The Scouts come into the 1:30 p.m. playoff at Antioch on Wednesday, Nov. 10 sporting a 7-2 overall record.

Antioch, along with Warren, will move into the NSC beginning the fall of 1983.

Lake Forest was defeated 28-11 at North Chicago on Nov. 6 in its league finale.

At Round Lake on Nov. 6, the Sequoits completed their Northwest Suburban Conference (NWSC) season unbeaten with a 42-15 win over the Panthers. Antioch is 8-1 overall, having won its last eight games in a row.

In the win at Round Lake, the game resembled the 46-0 homecoming victory over Johnsburg one week earlier as the Sequoits scored all of their points in the opening two quarters.

Bryan Becker returned the opening game kickoff 56 yards to the Round Lake 34-yard line where he was caught by Panther kicker Dave Keam pf.

Three plays later George Bessette scored from six yards out for his first of three touchdowns for the afternoon.

Derek Olsen's first of six extra-point kicks was good making it 7-0 with less than one minute gone off the clock.

Two series later the Sequoits scored again with Bessette going over the goal line from four yards out on second and third effort.

Despite a delay of game against the Sequoits on the extra-point attempt, Olsen was able to split the uprights from 25 yards instead of the usual 20 to make it 14-0 with just under one minute remaining in the opening quarter.

Antioch's Ed Schwind recovered a Round Lake fumble on the opening play of the second quarter to set up the next Sequoit score.

A dozen plays later, Bessette scored on a two-yard dive with 10:21 remaining in the half.

Olsen's kick was once again good making it 21-0.

Junior defensive end Frank Mahar scored the next Sequoit touchdown as he blocked a punt, picked up the ball and ran it in from the two-yard line for the touchdown.

Mahar's effort followed a series of penalties and rekicks by the Panthers during which one Round Lake player was ejected from the game.

Olsen's kick made it 28-0 with 8:15 remaining in the second quarter.

A Round Lake interception on Antioch's first play in its next possession was nullified by a roughing the passer penalty against the Panthers.

Senior quarterback Tom Adams passed to John Humphreys who was cutting across the middle of the field for a 15-yard touchdown.

Olsen's kick made the score 35-0 with 4:54 remaining in the half.

Antioch junior defensive back Dan Berkiel stepped in front of Round Lake's Terry Cheeks to intercept a pass giving the Sequoits the ball at midfield.

Three plays later, Adams connected with junior end Bryan Becker for a 49-yard touchdown as two Panther defenders ran into each other while attempting to tackle him.

Olsen's kick concluded Antioch scoring at 42-0 with just over two minutes remaining in the half.

Round Lake put all of its points on the board in the fourth quarter as both teams were substituting freely in the second half with all of the Sequoit first teamers being kept out almost the entire final two periods.

Playing virtually one half, Bessette had 11 carries for a total of 64 yards rushing including three touchdown runs.

John Mahar had seven rushes for a total of 51 yards.

In passing, Adams completed five of 14 attempts for a total of 123 yards including two touchdown tosses.

On the season, Adams threw for 18 touchdowns, 1,470 yards and completed 83 of 166 attempts for 50 percent. The yardage and passes for touchdowns are both school records.

On the receiving end, Humphreys had three receptions for a total of 44 yards including one touchdown catch.

On defense, Schwind, besides having a fumble

recovery which led to a score, knocked down two passes from his defensive tackle position.

Tony Evans and Rob Jiracek each had fumble recoveries.

Besides Berkiel's interception, Craig Prather and Tom Higgins each picked off Panther aerials.

"We've tried to look and see what a defense dictates us to do," Steve Wapon, Antioch head coach, commented on going to alternate receivers instead of the number one Sequoit receiver Derek Olsen.

"They had extra help on Olsen's side, so we went to Becker, (Rod) Steiskal and Humphreys," he said.

"Our goal is to stay balanced, but we really have to see what people take away

from us and go with what the defense will give us," he added.

Wapon said he was pleased with the performance of his number one units in the opening half, particularly the offense.

As for Lake Forest, despite the Scouts being upset in the regular season finale, Wapon is looking for a tough challenge.

"Coach George Barry has been around a long time," Wapon said. "They're an excellently coached football team."

"They'll be ready," he added.

"Their special teams are excellent," he said of one of Lake Forest's strong points.

The Scouts will present a new challenge for the

Sequoit defense as they run the wishbone offense, something which Antioch has not seen this year.

"We've faced option teams, but this is the first time we've faced a team committed to it," he said.

"I think it'll be an interesting matchup of a strong running offense against a strong run-stopping defense," he added.

Should the Sequoits be victorious, they would advance to the second round against the winner of the Deerfield-Chicago Tilden game on Saturday, Nov. 13.

"We're anticipating a very big crowd," Wapon concluded about the opening playoff game, "with the support we've had and Lake Forest being so close."

"It should be a really fun game," he added.

## Sequoits to host Lake Forest Nov. 10

Although the Antioch Sequoits knew going into Saturday's final game at Round Lake that they were IHSA playoff bound, none were looking ahead.

For those fans who were, and are, looking ahead to see who will try to block the Sequoit trail to state glory, the picture is cloudy indeed.

Although the playoff berth was assured, there was still the possibility of a co-championship with Warren if the Sequoits lost to Round Lake.

Teams who were in contention to play Antioch going into the pairings included Rockford Guilford, Freeport, Crystal Lake Central, Lake Forest, Deerfield, and Sterling along with the possibility that a Chicago school could be sent out by the IHSA.

Antioch expected to play host in the first round, 1:30 p.m., Wednesday, Nov. 10,

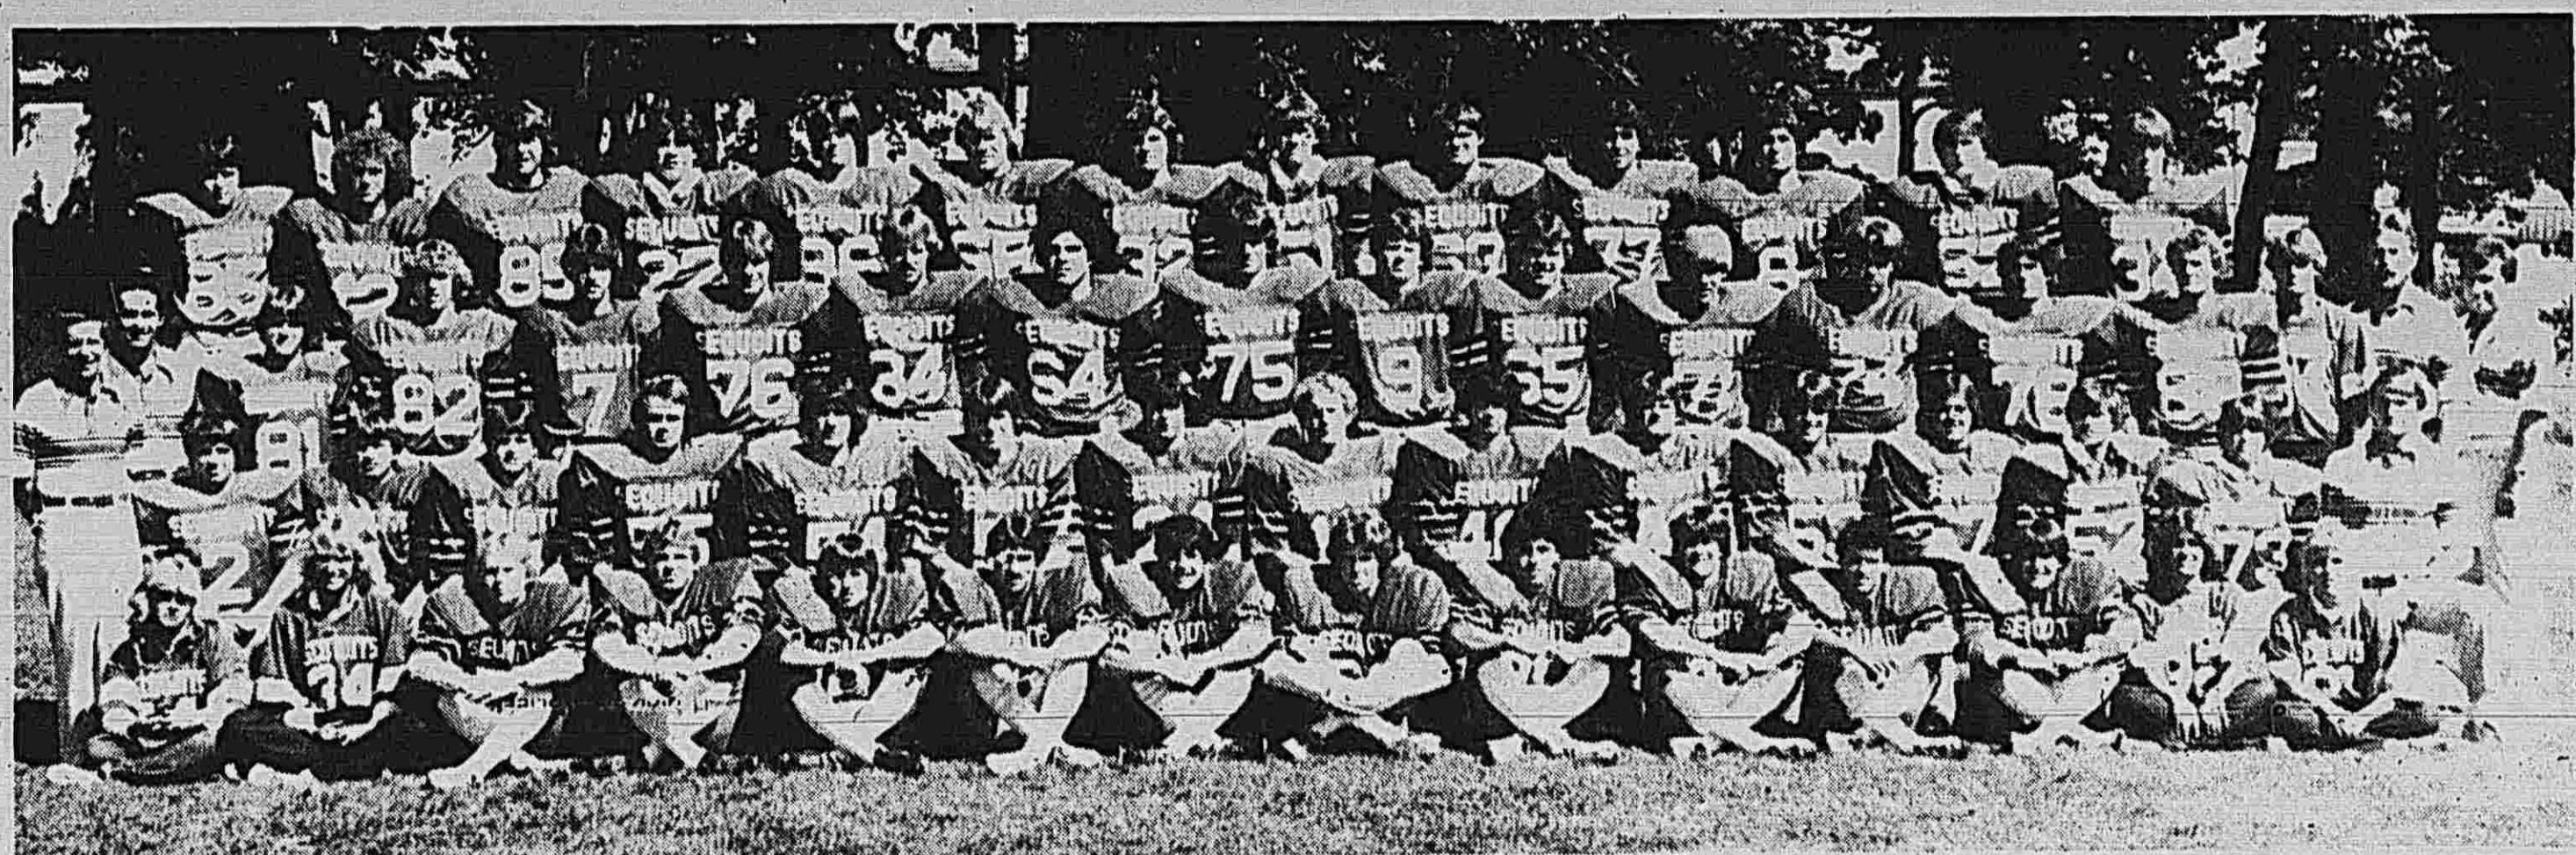

although even that home field advantage was not guaranteed.

An announcement Saturday, Nov. 6 revealed that the Sequoits will host the Lake Forest Scouts, champions of the North Suburban Conference at 1:30 p.m., Wednesday, Nov. 10.

The Scouts, who had already clinched the conference title, lost their final conference game to North Chicago, 28-11 Saturday while Antioch was beating Round Lake.

The winner of Wednesday's clash will play the winner of Wednesday's Tilden (Chicago) vs. Deerfield game on Saturday.

Because of a change in format this year in which IHSA playoffs are split into six divisions rather than five, Antioch will face the possibility of having to play former 6A powers such as Joliet Catholic and Deerfield if they are to advance in the playoff structure.

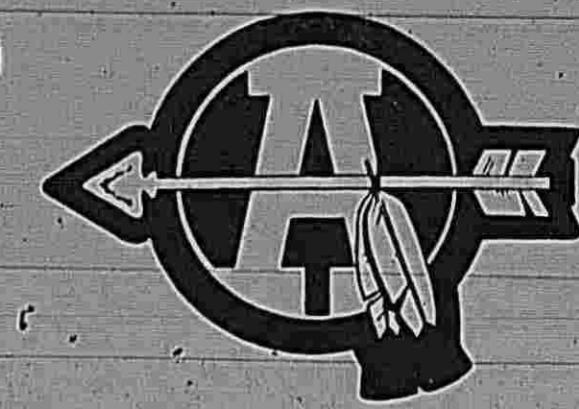

ANOTHER BANNER YEAR—Antioch Sequoits varsity football team racked up another impressive record this year in qualifying for state playoffs. Team members include, fourth row, from left, T. Smith, Tom Higgins, Mark Everett, Jerry Haling, Ed Schwind, John Hope, Tom Anderson, John Brondum, John Contois, David Harris, John Mahar, John Andre, and Jeff Kemper. Third row, from left, are Coach Ted DeRousse, Coach Tom Baba, Gene Elrod, Bryan Becker, Tom Adams, Kirk Vogt, Mark Kasik, Tim Hartokolis, Chris Becker, Dan Berkiel, Dan Collins, Kevin Kovach,

Bryce Willett, Frank Mahar, Derek Olsen, Pat Filkey, Coach Steve Scott, Head Coach Steve Wapon, Second row, from left, Andy Lehn, Ed Antkowiak, Dave Maire, Ed Gron, Matt McGrain, John Dugenske, Craig Sheedlo, John Humphreys, Dan Maxwell, Billy Carnie, Kevin Tuley, Robert Jiracek, Tony Evans, Dean Elrod, Coach Del Pechauer. ## Wapon's Football Coaching Has Ironic Beginning

by MICHAEL H. BABICZ  
Sports Editor

Football in Antioch means a lot of things.

Success of the program is also attributed to numerous factors.

For Steve Wapon, 37-year-old veteran of five seasons as the head Sequoit football coach, Antioch football to him is a complex thing.

"Excitement, weight-lifting, two-platoon, spirit" are all words used by Wapon to describe what Antioch football means to him.

In further defining it, Wapon said, "It's a summary of the involvement of a great number of people."

Always quick to pass the credit on, Wapon is ex-

tremely proud of his entire staff.

Ted DeRousse and Wapon have been teamed up for numerous years. Wapon was an assistant wrestling coach under DeRousse for several years.

"The way our defenses are put together is a credit to him," Wapon said. "The other members have also worked on Sundays and done scouting without a complaint."

Varsity assistants are Tom Baba, Del Pechauer and Steve Scott.

Freshmen coaches who also are involved in the scouting and teaching of fundamentals, which is crucial to any program, are Mike

Gordy, Rich Brown and Ken Anderson.

"I also have tremendous respect for our administration," Wapon said, especially singling out Warren Polley, superintendent, Art Blecke, principal, and Ward Lear, athletic director.

"It's fun to be a part of a group like that," Wapon added.

Wapon, who has been at Antioch coaching for 15 seasons, has had considerable success at the varsity level as a head coach.

Heading into the final regular season weekend, Wapon holds a 30-18 overall record. Antioch teams under his leadership were co-

champions in 1979, the same year that they ended up quarterfinalists in the Class 4A state playoffs, losing to the eventual state champion Wheaton Central.

Another highlight in Wapon's relatively short career as a head coach is that out of the past five years Antioch has defeated perennial Northwest Suburban Conference (NWSC) power Warren three out of four times.

"I can't believe it's been five years already," Wapon said. "It seems like we just started yesterday."

A couple of highlights in those seasons include the defeat of Rockford Boylan 14-7 followed by a win over

Jacobs which allowed the Sequoits to make the final four teams in Class 4A in 1979.

"That was a big factor in getting our kids to believe that they are capable of playing football with the best in the state," he said. "That was a big stepping stone in getting all of us to believe in the football program."

"Having a tradition that the kids can come into is another step toward a successful program," he said of the winning spirit which Antioch has shown.

Being selected to be on the coaching staff for the 1980 Illinois-High-School All-Star game held at Illinois State University is considered a

major milestone for Wapon.

"That was a tremendous experience to meet and work with several outstanding coaches," he said. "It's a great program for charity (Shriners) and a fun week."

Most would think that Wapon's interest in coaching might be traced back to George Halas or the late, great Vince Lombardi.

In reality, it came from a high school basketball coach.

The coach's name was Bob Slinger who was at Chicago-St. Mel when Wapon was attending there.

"I had been around athletics all of my life," Wapon recalled. "I wasn't a (Continued on Page 11)

### Opening game loss now only a memory

For the Antioch Sequoits, the season began with many sports sages picking them as one of the favorites in the Northwest Suburban Conference (NWSC) this season.

But the road was rough in the early going as Antioch dropped its non-conference opener to Crystal Lake Central, 19-15.

Game statistics were relatively even in that game, but two fumbles gave the Tigers possession in Antioch territory. After Crystal Lake opened the scoring, Antioch came back with George Bessette scoring on a two yard run. Derek Olsen's extra point kick put Antioch up 7-6.

Crystal Lake went back on top with a 24 yard pass play

which left the score 12-7 at intermission.

Antioch put its final points on the board with a one yard run by Bessette in the third quarter and John Mahar took a pass from Olsen on a fake kick for two points and a 15-12 Antioch lead.

That lead held until a fumble gave Crystal Lake the ball on Antioch's 35 yard line and the touchdown that eventually won the game.

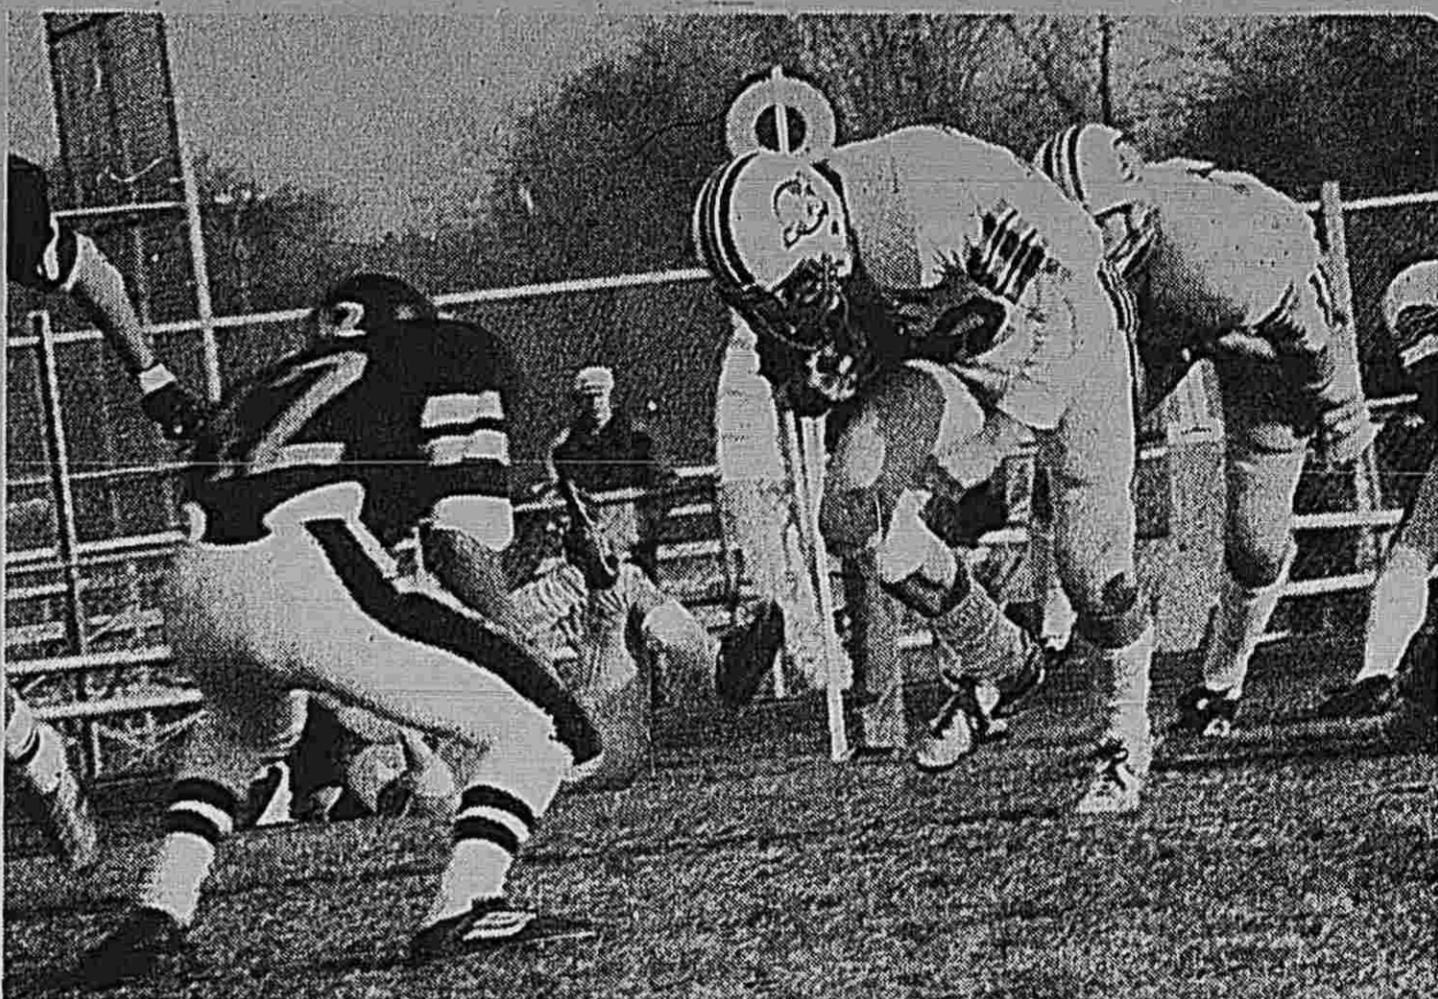

Bessette ran 92 yards on 19 carries with Ed Silva, 14 yards on three carries. Quarterback Tom Adams was nine of 20 passing for 128 yards and John Humphreys was one of two for 12 yards. Six receivers figured in the statistics with Olsen leading with four catches for 80 yards.

Defensively Dan Berkley had one interception and Andy Lane and John Andre each had eight tackles.

Antioch's luck changed however as they won their second non-conference clash, 26-20 in overtime against Woodstock. Fans were treated to an aerial display which produced over 700 yards in total offense.

Adams led the way for Antioch going 16 of 32 for 298 yards and a school record. Derek Olsen caught 11 passes for 232 yards, both school records, and three touchdowns.

On the rushing side of the ledger, Bessette had 17 (Continued on Page 10)

carries for 62 yards and on defense Berkiel and Joel Bissing each had an interception and Ed Gron, Ed Schwind and Frank Maher each recovered a fumble.

Antioch scored first completing an 85 yard drive in five plays. Adams finally connecting with Olsen on a 41 yard touchdown toss. Olsen kicked the extra point.

Woodstock scored next, going 90 yards in 11 plays, but the two-point conversion failed and Antioch led 7-6.

Antioch moved down the field quickly as the half ticked off and with 43 seconds left Adams hit Bryan Becker with a 15 yard pass for first and goal at the two. Two running plays failed and time ran out.

Woodstock went ahead 12-7 with a 67 yard drive in the second half, but Antioch

responded with a drive of its own and an Adams to Olsen pass for a five yard touchdown. Olsen's kick put Antioch up 14-12.

A Woodstock fumble, recovered by Jerry Haling set up Antioch's next score where Bessette scored on a two yard run. The kick was wide and Antioch led 20-12.

Woodstock tied the game with 1:37 remaining with a touchdown and two-point conversion, sending the game into overtime.

Antioch's victory margin came on a pass from Adams to Olsen after a Woodstock fumble.

The Sequoits' first conference encounter was with NWSC newcomer Johnsburg and the game went all Antioch's way, the Sequoits winning 22-2 on Sept. 25.

Antioch opened the scoring as Bessette scored on a two

yard run to cap a nine-play, 62 yard drive. Olson ran for two points and an 8-0 lead.

Adams then passed to Bessette for a 63 yard touchdown with 2:23 remaining in the first quarter and Olsen's kick put Antioch up 15-0.

Johnsburg scored its two points on a safety when Adams fumbled while dropping back to pass in his own end zone.

Bryce Willett recovered the ball for Antioch to prevent a touchdown. Antioch finished the scoring in the third quarter as Maher scored on a one yard run. Olsen's kick was good for a 22-2 score.

Adams was six of 12 for 109 yards. Olsen had three catches for 47 yards and Bessette had two for 57. Bessette also carried 12 times for 33 yards and Maher seven for 29 yards. John Andre had nine tackles and three quar-

terback sacks.

Antioch's magic continued in its second conference clash, this time Oct. 2 at Wauconda. The Sequoits shut out the Bulldogs, 36-0.

Bessette started things rolling with a five yard run late in the first quarter. Olsen's kick made it 7-0.

Then with time ticking down in the first half, Adams hit Bessette on a nine yard pass. The two-point run failed an Antioch led 13-0. With 34 seconds left in the half, Adams hit Olsen for three yards and the kick left it 20-0 at half.

A 27 yard field goal started things off for Antioch in the second half and three minutes later Maher scored on a six yard run and Olsen's kick made it 30-0.

Rod Steiskal became the fifth Sequoit to score in the afternoon when the junior

end caught a 21 yard scoring pass from Adams. Olsen's kicked missed, leaving the final at 36-0.

Adams was 12 of 19 passing for 150 yards and three touchdowns.

Bessette had 12 carries for 41 yards, Maher six for 24 yards and Silva five for 11 yards. Ed Antkowiak had eight carries for 28 yards and Dan Maxwell four for 22 yards.

Olsen led receivers with three catches for 47 yards. He was followed by Bessette with two catches for 23 yards.

Craig Sheedlo and Ed Gron each had an interception and Andy Lehn was leading tackler with eight.

The Sequoits' next big test was against an up and coming Grayslake squad Oct. 9 at Antioch, but the

grid machine continued to roll along, defeating the Rams, 28-14.

The game was the toughest of the year for Antioch as Grayslake came back from a 14-0 deficit to knot the score 14-14 with two fourth quarter touchdowns.

Mahar scored in the opening quarter on a six yard run and Olsen added the extra point for a 7-0 Antioch lead.

Then Adams connected on a 25 yard aerial with Olsen for a touchdown and the PAT put Antioch up 14-0.

However Grayslake scored twice within four minutes early in the fourth quarter, both on pass plays. Then with 2:17 left, Maher ran one yard for a touchdown after a good punt return by Sheedlo gave Antioch good field position.

### Wapon's coaching career

(Continued from Page 8)

real good student. We (he and Slinger) got to talking."

"He said, if you like athletics so much, why don't you be a coach?" Wapon recalled his conversation with Slinger.

"I started to look into it and found that's what I wanted to be," he said. "It actually helped me be a better student, also."

"I always liked football," Wapon, who played while in high school, explained. "My first love, as a sport, has always been football."

"When I came to Antioch, wrestling and football coaching spots were open," he explained. "I thought this was a perfect opportunity."

Besides his love for football, another driving force which keeps Wapon going is his fondness for people.

"I really enjoy people," he said. "Some of the nicest things are when former players come back or I'm at their weddings."

"Sometimes, before a big ball game, we'll get letters,

telegrams or a phone call from different states saying what football meant to them," he added.

"Watching poor students turn into good students means a lot, because I can identify with them because I wasn't such a good student," he admitted.

Wapon views football as "the ultimate team game."

"It's such a microcosm of life," he explained. "You have to share and get along. If you don't, you won't have success."

"There's commitment, sacrifice and a certain amount of pain involved," he continued. "The return of each season keeps you going."

"The tremendous rapport, a real comradery and just the love and excitement of the game" are what Wapon says keep him going.

Coaching at Antioch High School is, in a way, the completion of Wapon's coaching ambitions.

Although a state championship is always a goal,

Wapon says he has no wishes to move on into the college ranks.

"The purest athletics are still at the high school level," he stressed. "They've stayed clear of gate receipts and spending six months trying to recruit players."

"When it isn't fun anymore and I can't approach it with enthusiasm, then it's time to turn the reigns over to somebody else," he stated.

"Football is a team game that takes the cooperation and effort of an excellent coaching staff and (school) administration along with students, parents and the community," he stressed.

"It's often too easy to forget the give the people recognition when the credit is due," he added.

One person in particular who Wapon sees as having established the "values" which Wapon attempts to maintain in his staff is Roy Nelson.

"I was his assistant," Wapon said. "He has an ex-

tremely high set of values and has always treated each individual he's touched with tremendous respect."

"Although we may scream and yell at a kid in practice, we realize that we're dealing with individuals," he explained. "We hope that through our efforts they'll be a little better football players and people."

Football coaching is seen as an extension of teaching to Wapon.

"You're teaching skills, attitudes, teamwork and cooperation," he said, adding that football and athletics in general "fits right in" with the overall scholastic program.

"The ability of a person to be a team member, to work for common goals, sacrifice, experience some pain and discomfort along with a commitment is very similar to what a person will do after high school," he explained.

"Sometimes you win and sometimes you lose," he continued. "It helps you to get

### Opening loss only a memory

Olsen's extra point was good.

Then Antioch's defense set up the final score with two successive sacks and two incomplete passes turning the ball over to Antioch with less than 20 seconds left. Ed Silva ran two yards with four seconds on the clock.

Mahar had 18 carries for 85 yards on the afternoon and two touchdowns. Adams was nine of 18 for 144 yards and one touchdown passing. Olsen had seven receptions for 134 yards.

The victory left Antioch at 4-1 overall and 3-0 in the conference.

Antioch was then faced with another tough conference matchup with Lake Zurich, at Lake Zurich, Oct. 16, which they won 30-16.

The Sequoits rolled up a 30-0 lead through the first three quarters, then allowed two fourth quarter touchdowns.

Adams opened the scoring hitting Olsen on a 29-yard touchdown pass. The kick made the score 7-0.

Olsen later kicked a 21-yard field goal to up it to 10-0. Bessette then scored on a three-yard run with Olsen adding the kick to spread the lead to 17-0.

In the third quarter, Antioch's Adams hit Olsen on a 25-yard touchdown pass, but the kick failed leaving the

score 23-0.

Three minutes later, Bessette scored on a 10 yard run for the 30-0 lead.

Adams was nine of 20 for 130 yards including two touchdowns. Olsen was the leading receiver with four receptions for 87 yards and two touchdowns. Bessette had 13 carries for 41 yards and Mahar carried 11 times for 44 yards.

Sheedlo led the defensive secondary's efforts with three interceptions. Berkiel and Lehn each picked off one.

The defensive line provided pressure all afternoon. It included John Andre, Ed Schwind, Jerry Haling and Frank Mahar.

The biggest win of the year for Antioch came Oct. 22 when they shut out previously unbeaten and state-ranked Warren, 29-0.

With 10:31 remaining, Mahar dove in from five yards out. Olsen's extra point made it 7-0.

After a change of possession, Antioch got the ball back and started to drive from midfield. Five plays later Adams hit Olsen on a diving catch in the end-zone. Olsen's kick was good and the score was 14-0.

On the first series of the second half, Antioch went 67 yards in seven plays, capped with a 35 yard pass from

Adams to Anderson. Olsen's kick missed and the score was then 20-0.

With Warren starting to move the ball, Sequoit Ed Gron picked off a pass to set up Antioch's next score. Adams hit Olsen, who was caught from behind after a 48 yard gain at the Warren 11. Three plays later Adams hit Humphreys with an eight yard strike. The two-point conversion pass failed.

Leading 26-0, Tony Evans of Antioch recovered a Warren fumble on the kickoff. Antioch drove to the four, but when the drive stalled, Olsen kicked a 14 yard field goal for the 30-0 final and sole possession of first place.

Antioch continued to roll as the conference schedule wound down, defeating Grant at home Nov. 6, 46-0.

Antioch put all of its points on the board in the first half and senior Bill Carney turned in an outstanding performance with two fumble recoveries and one touchdown on an interception.

On the ground, Mahar had five carries for 22 yards, Bessette had seven carries for 68. Adams was six of 10 passing for 153 yards and three touchdowns. Olsen had three receptions for 74 yards and Bryan Becker had two catches for 41.

Anderson scored Antioch's

first points with a three-yard run. Olsen's extra point made the score 7-0.

Then Jerry Haling jarred the ball loose and Carney recovered on the 18. Antioch scored and Olsen's kick made the score 14-0.

On the second play after the ensuing kickoff, Andy Lehn intercepted and as he was being tackled, flipped the ball to teammate Joel Bissing who carried the ball the rest of the way, but the score was called back because of a clip.

Starting on the Grant 23, Antioch drove to the three where Bessette scored and

Olsen booted the 21st Antioch point.

But fun and games were not over as Carney stepped in front of a Grant pass at the 10 yard line and easily scored, running the score to 28-0 with four minutes remaining.

On the first series of the second quarter, Grant tried to quick kick on third down which was blocked by Haling. Grant fell on the ball in the end zone for a safety and a 30-0 spread for Antioch. The Sequoits then took the kickoff and drove 35 yards for still another score.

Adams connected with Olsen for two yards and a touch-

down and a 37-0 lead.

Grant's kickoff returner slipped on the kickoff, leaving the Bulldogs deep in the hole. On third down Andy Lehn and Ed Schwind tackled the Grant quarterback in the end zone for another safety and a 39-0 lead.

Antioch's final score of the day came on a 39 yard pass from Adams to Anderson. Olsen's kick concluded the scoring, 46-0, with 2:50 remaining in the first half.

The victory put Antioch's record at 6-0 in the NWSC and 7-1 overall.

## ASL to add new mortgage program

The Antioch Savings and Loan Assn. recently announced an addition to their mortgage loan program which they hope will give assistance to the home building industry and in particular, home buyers and sellers in the Antioch area.

The past many months have seen high mortgage interest rates. Rates so high it

became impossible for most to purchase a home or for home owners to sell.

In addition, lenders, aware of the volatility of rates, have provided within the mortgage documents the privilege of adjusting rates and monthly payments throughout the life of the mortgage.

Maryanne Kaht, the

association's mortgage loan officer, indicates the new program will allow for fixed rate mortgages at interest rates far below those offered these past many months.

The rate of interest charges will correspond with the purchase rate established weekly by the Federal Home Loan Mortgage Corp.

back up when someone knocks you down."

"It's all part of the educational process you work with," he added.

All of the many hours, late night suppers and eating at McDonald's are all worth it to Wapon because he says "it really keeps you young."

"I feel sorry for people who have to get up every day dreading the job they have," he said. "The days fly by here. Many people are not

fortunate enough to be able to say that."

"In a high school our size, it's a lot more personal with more student contact," he explained. "I've always enjoyed it because it does keep you kind of fresh."

"You're constantly changing with the changing ideas of the different students you have over the years," he added.

"Involvement" and "commitment" are two main things which Wapon keeps

going back to with regards to the success of the football program in particular, and the athletic program in general.

"The community excitement has been tremendous," he said. "There's a tremendous interest in high school athletics in Antioch from parents, students and community people."

"Antioch is very interested in supporting its athletics," he added.

"I'm very proud to be a part of it."

# Vikings lose to Fox Lake, Waukegan

Both the Antioch Viking lightweight and heavyweight teams lost in their first playoff on Sunday, October 31.

The heavyweights lost to an indomitable Fox Lake team that should be com-

mended for their never die attitude.

The Antioch Heavies were leading at half time with a 6-0 lead.

The six points were a result of two-yard off tackle

runs by John Payne. The extra point attempted kick was blocked.

In the third quarter Fox Lake tied the game at 6-6 with a short run which was set up by an Antioch fumble and a Fox Lake recovery on the Antioch's 12 yard line.

Early in the fourth quarter, on a 23 yard pass play from reserve quarterback Brian Buszta to Troy Schroeder, the Viking heavies scored the go-ahead touchdown.

Brian Pankauskas kicked for the two extra points. An-

tioch 14, Fox Lake 6.

On the ensuing kick-off Fox Lake ran the ball back to the Viking three yard line and three plays later they punched it in for a touchdown.

The extra point kick was blocked and the Vikings led, 14 to 12.

Late in the fourth quarter the Vikings punted the ball to Fox Lake.

The ball was not downed by Antioch, in a surprise move a Fox Lake back picked up the ball and ran 50 yards down the sideline for the go ahead touchdown.

Fox Lake led 18 to 14. The Vikings were unable to

sustain a drive in the last few minutes of the game when the time ran out.

The Antioch-Viking lightweights played Waukegan to a 0-0 stand-off during regular time in a hard fought defensive battle.

In overtime, Antioch lost on a fourth down, two-yard plunge for the go ahead touchdown.

The extra point was success for Joe making it Waukegan 7 to Antioch 0.

Antioch had its chance to drive the ball in for the tying touchdown and fell short on their fourth down try. Both teams played a very hard nosed physical game.

## Eagles Assert Themselves End Season Undefeated

The Viking lightweight teams, the Eagles and the Warriors met to unlock their identical six in one loss records, to settle the supremacy of the Antioch in-house featherweight league.

The Eagles took control of the game early in the first quarter with a eight-yard run for a touchdown by Tim Sandrik and led 6-0.

In the second quarter the Eagles scored twice more, the first on a 90 yard pass play to Fred Locher from Eric Fahrner and the second on a Locher 60 yard run with a fumble recovery.

At half time the Eagles led 19-0. In the third quarter both teams scored. The Warriors on a four yard run by Keith Horn and the Eagles on a 30 yard run by

Bobby Wons.

There was no scoring by either team in the fourth quarter. The final score was Eagles, 25. Warriors, 7.

Other games in the featherweight division featured the Seahawks beating the Falcons 6-0.

The only scoring of the game came on a fake field goal attempt and a 10 yard run for a touchdown by Joe Slyman.

Led by Matt Nagel, with two touchdown runs of 39 yards and 27 yards, and two touchdowns by Jason

Swedlund of 29 yards and three yards, the Buccaneers beat the Raiders 26-6.

The scoring by the Raiders

was on a Kurt Hucker pass interception which he ran back for a first quarter touchdown.
